Testimony

I was saved when I was seven years old after attending a brush arbor meeting at Parrans Chapel Baptist Church. I accepted the forgiveness that Christ offered and gave my life to Him. There was a difference in my life from that day forward, but my commitment was shallow. When I was sixteen, I rededicated my life to the Lord. I began to study God's Word and sought to serve Him wholeheartedly.

Call To Ministry

In 1987, I began to have a deep desire to serve the Lord with my whole heart. I wanted to give Him more, although I didn't know how. One night during the message at my home church, the Holy Spirit made it clear to me that God had a plan for my life. I knew that night He was calling and I answered. I went forward and told the pastor what I was feeling. After talking to him, we prayed together and I made my commitment known to the church. Since that night, I have preached and taught and served as often as the Lord has given me the opportunity.
